Re: Stroka v. Manufacturers and Traders Trust Company, et al.
Civil Action No. 7:22-cv-6368 (NSR)

Dear Judge Román:

This office represents the Plaintiff in the above matter. Per the Court's Order of December 14, 2022, the parties are due to file the proposed CCMP in this matter today. I write on consent of all counsel to request a four week adjournment of this due date to accommodate the parties efforts at settlement through mediation.

By way of background, please note that mediation was scheduled for December 8, 2022, however that mediation was adjourned because of technical difficulties on the part of the mediator. The parties have rescheduled mediation for January 23, 2023. By allowing the parties an extension to file the CCMP, we will be fully able to explore potential settlement before incurring additional time on litigation that might potentially be resolved.

We appreciate the Court's courtesies in this matter.

Respectfully submitted:

Nathaniel K. Charny

cc: All Counsel (by ECF)

The Court GRANTS the parties' request for an extension. The parties are granted leave to file the proposed CCMP on or before February 2, 2023. The Clerk of the Court is kindly requested to terminate the motion at ECF No. 21.

Dated: January 5, 2023
White Plains, NY

SO ORDERED:

HON. NELSON S. ROMAN
